Clock up some distance through thick bushland, remote dirt tracks and great undulating 4WD tracks. At the 5 km mark, turn off Ashbourne Rd into Boldiston Rd, veer right into Jocks Gully Rd, cross over Campaspe River and look out for the single trail to take you from Fleming Rd to Taylor Rd. Then further along, look out for the single trail connection between Anderson Mill Track and Firth Rd cut over to Firth Park. On the return leg, Fingerpost Rd and Slaty Creek Rd are spectacular dirt roads.
