About St Claire Country House

A country estate for your wedding

St Claire Country House is a country estate with gracious French Colonial buildings and a perfumed romantic garden, all set in gorgeous countryside. It can provide the perfect setting for your fashionable wedding in the country.

The venue space comprises a French Salon and the North Lawn. The ceremony can be in the Salon or outdoors. The reception can be in the Salon or outdoors on the North Lawn.

There is a separate luxury Guest House for accommodation.

You have exclusive use of the venue and accommodation. We only have one wedding here per weekend.

Pre-wedding time

In the Guest House there is a divine common room in neutral colours with a gorgeous fireplace, chandelier and birdcage that are perfect settings for your pre-wedding photos. There is also plenty of space to have the fun of getting ready together with your attendants.

Beautiful French Salon

The Salon of St Claire is a splendid French conservatory style room, filled with flowers and plants. It was designed to be beautiful and captivating – a space suited to special occasions. The Salon is dominated by a large open fireplace that has a Louis XVI marble mantelpiece holding candelabra and flowers, with a gilded mirror above. It provides the perfect backdrop for a wedding ceremony. **If the lounge furniture is removed, a wedding reception can be held in the Salon. The reception could be cocktail style or sit down, with appropriate furniture being hired by the wedding couple. We just provide the venue – the room with the dining table and 22 dining chairs, the coffee table and small occasional tables in it.** People can spill out onto the gracious verandas of the Salon which have rattan and wicker furniture.

North Lawn

A wedding ceremony can be held on the North Lawn. If you wish a floral arch or wall can be set up.

For receptions on the North Lawn you have four options for a set up: some umbrellas, stools and wine barrels; an open plan canvas village (some shelters/cabanos, a bar, lounge furniture, umbrellas, chairs and tables etc. with different stations); a traditional marquee or a chic luxury canvas and cotton rope and pole tent marquee. The set up can be done to suit the number of guests and your style. **We just provide the venue – the empty North Lawn.** Other providers supply the umbrellas, canvas village, traditional marquee or luxury canvas and cotton rope and pole tent marquee – and all the contents, accessories etc. that you need. Games such as croquet, boules and chess can be played.

Style your own wedding

You can style your own wedding, showcasing your taste and design flair, from having a stunning floral arrangement in the Salon to creating an amazing space for your guests to enjoy outside.

Accommodation

The separate and private Guesthouse has three plush bedrooms - the Blue, Teal and Grey rooms (all with en suite), a sumptuous living area, well equipped kitchen and tranquil outdoor area. There is another bedroom available, the Yellow room in the East Wing.

Location

Trentham East, where St Claire is located, is only one hour North West from inner Melbourne and five minutes from hip Trentham village, with its gourmet Annie Smithers restaurant, gastro pubs and trendy cafes.

Explore the surroundings

Trentham is the centre of a very interesting tourist region so please stay and explore. There are gardens, lakes, nature walks, a lavender farm, art galleries, specialist shopping, nurseries, a waterfall and many great cafes and restaurants.
