WELCOME

Situated at the foothills of picturesque Mount Macedon and only 45 minutes drive from the Melbourne CBD, there are very few conference centres that match the beautiful surrounds of VEMI.

VEMI is surrounded by 6.8 hectares of manicured gardens, with accessible walking tracks and an abundance of flora and fauna. The gardens are home to echidnas, kangaroos, koalas and an amazing array of birdlife, a perfect way to unwind at the end of the day.
