

Hanging Rock weddings

Considering an outdoor wedding ceremony or reception?

If you're looking to set yourself apart from the crowd by creating a celebration that you and your guests will remember for a lifetime, a wedding with iconic Hanging Rock as your backdrop should be at the top of your list.

Choose from public or private areas in the Reserve

Hanging Rock Reserve offers dedicated event spaces for private ceremonies and receptions, or you can hold small ceremonies in public areas throughout the reserve.

Hanging Rock gives you a blank canvas to design the wedding you've always wanted.

Exclusive event areas

Depending on the size of your gathering, take your pick from two dedicated areas in the Reserve's East Paddock. Both include exclusive access to undercover areas with accessible restrooms, and boast unobstructed and unrivaled views of Hanging Rock and Mt Macedon.

Both sites are adjacent, but separate from, the main area of the Reserve, so your wedding will be held in privacy away from the general public. There is ample surrounding space to accommodate a marquee (if required) and parking for your guests.
